

Celebrating our 80th birthdays? Really? You cannot be serious!

(I know. I'm mixing up my characters. John McEnroe wasn't on Seinfeld, but he would have fit right in with those zany characters.)

On **Saturday, September 12, 2026**,
We're planning what we hope will be a blast of a birthday party
for our class. And we're really hoping you can be there to
celebrate this last group event with us.

It will be held at Acacia Village in Utica from
1:00 to 4:00 pm.

The address is 2150 Bleecker St., Utica, NY 13501

Finger foods, beverages and birthday cake will be served—
along with a lot of hot air. Hopefully, that hot air will be the result
of laughing, stories and memories of our years together.

Please **respond** to this invitation by **September 1** by mailing a
check for \$17.00 per person made out to Acacia Village to

Alan Vincent
2503 Woodside Dr.,
Utica, NY 13501

If you need any further information, please feel free to email
Patty Castellano, Alan Vincent or Lynn Snyder. We hope to see
you there.
