

THANKS FOR KEEPING LITTLE FALLS IN BLOOM!

Every spring, the Rotary Club of Little Falls plants more than flowers—we plant pride, hope, and a warm welcome for everyone who calls our city home or comes to visit. The beautiful hanging baskets and colorful flower displays that brighten our streets are purchased, hung, watered, and lovingly cared for by Rotary Club members and volunteers. Long before most of the city awakens, our members are out making early morning watering runs because we believe Little Falls deserves to look its very best. Take a walk down Main Street- have you ever seen the flower baskets look so full, and healthy and gorgeous. If you should see our Director of Horticulture Angela Fazekas let her know you appreciate her efforts as well as the efforts of Beautification Committee Chair Deb Kuehnle.

Rotary Beautification Committee Chair Debbie Kuehnle and Assistant Governor Mary Trombley watering the hanging baskets

Beautiful planter outside city hall

This project is only possible because of the generosity of people like you. It is not funded by the city—it is funded by neighbors, former and still proud residents, businesses, and community members who love Little Falls and want to see it flourish. We invite you to become a partner in this cherished tradition by making a contribution to our annual Beautification Project. Every dollar you give helps purchase flowers, maintain the baskets throughout the summer, and ensure that our downtown continues to be a place that fills residents with pride and leaves visitors with a lasting impression.

Hanging baskets looking good!

When our streets are alive with color, it sends a message that this is a community that cares—a community that believes beauty matters, that volunteers matter, and that working together makes a difference.

Donate through Venmo and reference “LF Beautification”

Venmo: @RotaryClub-LittleFalls

Last four digits of phone number: 2072

Or please send your donation to the Rotary Club of Little Falls, PO Box 181, Little Falls, NY 13365 and add “LF beautification” in your memo line. Together, we can continue to make Little Falls a place that blooms with beauty, pride, and community spirit for all to enjoy. Without you, it doesn’t happen.

The Roary Club would like to extend our gratitude to the Little Falls Polish Community Club for their major donation to the beautification fund. Couldn’t have done it without you.

Thank you for helping us keep Little Falls in bloom.

*Rotary thanks the
Polish Community Club*

The hanging baskets compliment
the “Hometown Hero” military flags flying along Main Street.

This year the Rotary Club has formed a volunteer organization to help us - it's called The Rotary Community Corps - no meetings, no dues, just an opportunity to help out the Rotary Club when they need extra help. To watering our flowers, or cleaning our roadways and trails, or painting the tunnel to the Canal Place, to helping to staff our many festivals and so much more- choose one or help us with all of our projects- our members could use a lending hand. Send an e-mail to lfnyrotary@yahoo.com or call Allen at (315) 723-1148 or Deb at 867-8443 today to become a volunteer. Our Rotary folks thank you!

The beautiful plantings in Burke Park are planted and tended with care by park neighbors Pat Rockwell and Jeff Smith

Welcome to Little Falls
