LITTLE FALLS WCA NEEDS YOUR HELP!

~ Mohawk Valley Gives 2026 ~

Mark your calendars for the week of September 14 – 18, 2026! The Little Falls WCA is proud to join the Community Foundation's "Mohawk Valley Gives 2026," and we need your support.

The WCA, an historical home nestled in the heart of our community, has provided comfortable and affordable shelter for women in need for over 100 years. We are proud of what we have accomplished during the last century and now must focus on the enormous challenges of an aging building. We have made every attempt to maintain the WCA's historical value, and our immediate building restoration needs include:

- Roof replacement, including roof drainage, structural and sheathing reinforcement
- Repairs at the junction of the original building and the addition
- Exterior painting, including proper preparation of masonry and wood
- Interior painting and ventilation

Your financial contribution will help maintain a Little Falls landmark and a much-needed community resource. To join in the Mohawk Valley Gives Campaign and **make a vital donation to the WCA** the week of September 14-18:
